Adapter plate and hardware to adapt the CD-5 or CD-7 displays to the RAM mount system.

KIT CONTENTS

- 1x Adapter Plate for either the CD-5 or CD-7, 0.093" steel, black texture powder coated
- 1x RAM-202U-12 Ball Mount ("C" sized)
- 2x SS 1/4" Split Washer
- 2x SS 1/4-20 Cap Screw
- 2x 1/4-20 Tab Base Nut

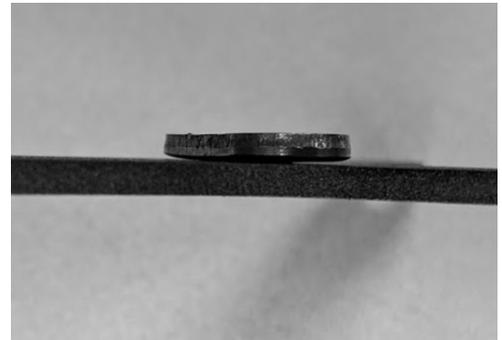

30-5545, CD-5 RAM MOUNT KIT

30-5546, CD-7 RAM MOUNT KIT

KIT ASSEMBLY

1. Make sure the 2 RAM ball holes are free of any obstructions or flashing from the powder coating process. The base nuts should fit flush with the surface of the plate with the shoulder inside the hole.

2. Attach the RAM Ball mount to the plate with the screws and tighten. Once installed, the screws should not protrude out the rear of the mount.

3. Attach the RAM mount adapter to the rear of the dash display (a CD-5 is used in this example, the CD-7 is similar). It is important for the A/V mounts supplied with the dash to be used.

4. Once installed, the AEM RAM mount adapter can be used to connect to the extensive line of rugged mounting solutions available within the RAM lineup. Utilizing their extensive component library, almost endless mounting configurations are possible. Visit Rammount.com or a RAM mount dealer for more information.

NOTE: RAM Mounts utilize different Ball sizes depending on the expected load. The AEM adapter uses the "C" ball size

Warranty Statement

Advanced Engine Management Inc. warrants to the consumer that all AEM High Performance products will be free from defects in material and workmanship for a period of twelve (12) months from date of the original purchase. Products that fail within this 12-month warranty period will be repaired or replaced at AEM's option, when determined by AEM that the product failed due to defects in material or workmanship. This warranty is limited to the repair or replacement of the AEM part. In no event shall this warranty exceed the original purchase price of the AEM part nor shall AEM be responsible for special, incidental or consequential damages or cost incurred due to the failure of this product. Warranty claims to AEM must be transportation prepaid and accompanied with dated proof of purchase. This warranty applies only to the original purchaser of product and is non-transferable. All implied warranties shall be limited in duration to the said 12-month warranty period. Improper use or installation, accident, abuse, unauthorized repairs or alterations voids this warranty. AEM disclaims any liability for consequential damages due to breach of any written or implied warranty on all products manufactured by AEM. Warranty returns will only be accepted by AEM when accompanied by a valid Return Merchandise Authorization (RMA) number. Product must be received by AEM within 30 days of the date the RMA is issued. Please note that before AEM can issue an RMA for any electronic product, it is first necessary for the installer or end user to contact the tech line at 1-800-423-0046 to discuss the problem. Most issues can be resolved over the phone. Under no circumstances should a system be returned or a RMA requested before the above process transpires. AEM will not be responsible for electronic products that are installed incorrectly, installed in a non-approved application, misused, or tampered with. Any AEM electronics product can be returned for repair if it is out of the warranty period. There is a minimum charge of \$50.00 for inspection and diagnosis of AEM electronic parts. Parts used in the repair of AEM electronic components will be extra. AEM will provide an estimate of repairs and receive written or electronic authorization before repairs are made to the product.
